commonwealth caribbean business law breaks away from the traditional english approach of treating business law primarily as the law of contract and agency it provides a broad overview of the foundation of various legal systems

and goes on to examine the various areas of legal liability that may impact on business activities these areas include tort law criminal law internet law and payment in business transactions specifically the book targets the development of business law in several commonwealth jurisdictions including canada and australia but with special focus on legal developments in commonwealth caribbean countries the approach of the book is to present excerpts from judgments so as to enable students to understand legal principles as espoused by the judiciary without the filtering bias of authors this new title is essential reading for students taking the llb and business degree courses in the caribbean and other commonwealth jurisdictions

indonesia business law handbook strategic information and basic laws

explains the fundamental principles of business law covering twelve topics that include corporations contracts and bankruptcy
